Subject: Kinder Morgan Linnton in water monitoring
Date: Monday, April 04, 2016 3:13:00 PM

Hi Mike-

As a followup to our meeting on 3/31, I wanted to let you know that I talked with Kristine and she confirmed that since KMLT is listed in the PH FS as a site with known riverbank contamination, EPA will followup with the inwater monitoring during remedial design. Our upcoming comments on the GW/riverbank SCE will reflect that. Please call or email if you have questions. Thanks.

Eva
